

Milford School District
Waiver of Medical Examination for Participation in Sports

School Board Policy 4006 Sports - Physical Examinations

All students shall be examined by a health care provider prior to participation in interscholastic sports while enrolled in the Milford High School and Middle School. In case of significant illness or injury, school authorities may require more frequent examinations. Parental permission must be given prior to participation in each interscholastic sport.

An athlete must have successfully passed one physical examination during his/her four years at the Milford Middle School and one during his/her four years at Milford High School. Documentation of said examinations must be on file with the nurse and/or athletic director before students are eligible to try out, practice, or participate on any team.

Revised June 2004

_____ (Parent's Names) have requested that _____ (Student's Name) be exempted, upon religious grounds, from the Milford School District's requirement of a sports physical in order for him/her to participate in interscholastic athletics and hereby agree that in consideration of the requested exemption they:

1. Represent that _____ (Student's Name) is and has been in good and normal health and is free from any condition, which would impair his/her ability to participate in athletics;
2. Agree to accept complete responsibility for the health of _____ (Student's Name);
3. Waive any claims against the Milford School District for having granted this exemption; and
4. Agree that should an emergency arise and any person or entity renders medical care or treatment to _____ (Student's Name) because such person or entity is unaware of this agreement and/or is unable or unaware of how to locate either of _____ (Student's Name) parents and his/her parents hereby waive any claim against the Milford School District for the rendering of such emergency care and/or treatment.
