Milford High School

Individual Athletic Championship

Banner Sale

The goal is to buy new Milford High School Individual Sport Championship Banners to represent each individual that has won a state championship. We want to improve the look of the gym that has been newly painted and help create a great looking venue that represents our athletic programs.

There were over 175 various individual banners that weren't properly organized and some in poor condition, making the gym look more cluttered than celebratory. Consolidating the individual banners by producing large banners representing each sport, individual name, and year will allow each champion to be recognized and leave space in the future when additional banners are needed.

To achieve this and pay for this expense, we are selling the existing individual championship banners. Please help us reach this goal by purchasing an existing banner by contacting Marc Maurais, Athletic Director at: MMaurais@milfordk12.org

The price is \$100 per banner and \$75 for each additional banner. Checks should be made payable to Milford High School Athletics.
