

## **SPARK**

### *Spartan Positive Actions Reaching Kids*

SPARK is a committee of administrators, teachers, counselors and students whose mission is to investigate, propose and create action plans in the areas of curriculum, messaging and programing in regard to prevention of substance use and abuse.

Please refer to this page for information regarding coming events, activities and resources for both parents and teens relating to substance abuse prevention.

### **Current Events**

This year we are initiating a universal screening program in the ninth grade related to the use of alcohol, marijuana and other substances. The goal of this program is to let the student know that we are available to reinforce healthy decisions and to assist them in obtaining support if needed for substance use related problems.
