Milford High School Girls Soccer would like to thank everyone for coming out to our Cancer awareness “pink” game. It was so nice to see such great community support for our team and this cause. Through our bake sale and goal pledges we were able to raise over \$1,800 to be donated for cancer research. Funds will be equally distributed between Susan G. Komen Cancer Research & The American Cancer Society.

We would also like to thank Dwayne Andreason from DDA Transport for donating the pink jerseys worn by our Varsity team as well Johane Noel from Souhegan Printed Products for donating the pink jerseys worn by our JV team. Your generosity made this event even more special!

In this together!

Regards,

Russ Matthews (Head Coach ~ Varsity Girls Soccer)
